

Can YOUR Life Skills Program Do THIS?

1. Meet the unique needs of:

- Learners with physical disabilities
- Spanish EASL learners
- Learners with emotional trauma

2. Consistently expose learners to the same breadth/depth of knowledge?

- By teacher
- By geography
- By learning style

3. Teach in a way that learners remember?

- PDF (up to 10% retention after 3 days)
- Classroom (up to 20% retention after 3 days)
- Multisensory "illustrated lecture" (up to 65% retention after 3 days)
- Immediate application (adds up to 10% to retention)

4. Measure each learner's minimum level of knowledge retention?

5. Provide a structured method to retain knowledge and provide continuous skill improvement?

6. Track and report each learner's progress and completion?

7. Be used consistently across learner types and geographies?

Use in

- ✓ Foster Care Independent Living

You can LOVE

Your Life Skills Program

For Organization Leadership

- ✓ Provide a consistent, cohesive, cost-effective program regardless of audience, location and who/how many are facilitating.
- ✓ Provide a higher level of accessibility (ADA and Spanish EASL).
- ✓ Collaborate across organizations, agencies or departments.
- ✓ Free staff from teaching basic knowledge to focus on the higher value activity of coaching.
- ✓ Easily validate who has received the training.

For Program Facilitators

- ✓ Easy-to-use, consistent program makes implementation and execution simple – regardless of where learners live or transportation challenges they may have.
- ✓ Focus your time on relationship building and coaching, not teaching basic knowledge.
- ✓ All content and resources in one, easy-to-access location.
- ✓ Automated reporting makes it easy to see and communicate what each learner has done.

For Learners

- ✓ Online platform with mobile app can be used anywhere, regardless of internet connectivity.
- ✓ Engaging, interactive, fun content maximizes retention.

The feedback has been great!!! ... My staff is very excited about this.

I absolutely 100% love LYFT ... it's innovative, it's fun ... it's animated, it's interactive.

Absolutely love the program. I actually received some very positive feedback... such as "I like the videos."

Our kids absolutely love the program.
